Good afternoon,

Hope this email finds you well.

The staff of our school participated in a **fire training course** last week. It is reassuring to note that we are fully compliant with all fire regulations. A word of thanks to Gerry, Health and Safety Officer on the Board of Management, for organising this training for us. Furthermore, we are looking forward to a whole school presentation on Monday from members of our local Mountrath Fire Brigade.

Internet Safety Day was on Tuesday. This year's theme is 'Tech in Our World' - exploring young people's views on new and emerging technology, and the changes they would like to see online. For more information you can log onto webwise.ie

I am delighted to let you know that the parish donated €641.10 to our school for making **St. Brigid crosses** for our community, thanks to Fr. Joe and Sr. Helen for organising. Thanks also to all who brought in rushes, our sacristan Pádraig, and to the children of the school for making the crosses. We were honoured to help out in this activity which has been a tradition in our school for many years.

Our **parent/teacher meetings** are ongoing. Please make every effort to attend your meeting and reschedule if need be.

Slán go fóill,

M. Rohan.
