Dear Parent(s) / Guardian(s),

We are delighted to be part of the Creative Schools Programme. In the coming weeks the children will be working with Lee in Shuttermaniac Productions, creating and screening a short film. This promises to be very exciting and enjoyable. Thanks Aideen (Creative Schools) for organising this for us. We are seeking your permission for your daughter to participate in this project.

The permission being sought from guardians is for Creative Schools in Collaboration with Shuttermaniac Productions, for the creation and screening of a short film.

This opportunity introduces the children to the basics of sustainable filmmaking to inspire their creativity and imagination through the medium of film. Followed on with a professional screening/ networking event and international film festival submissions as the final output.

The project will include children taking and being in photos and moving images relevant to their chosen film. The final work will be available on relevant youtube, social media, international film competitions, film festivals and film screenings. All photos / videos to be taken in accordance with school policies. All stored digital images / footage will be destroyed by Artist following completion of the project, apart from that included in the final work, or otherwise requested and agreed by school.

If you do not wish your daughter to participate, please inform your class teacher in writing on or before Tuesday, 5th March. If you are happy for her to participate you don't need to do anything. If you need any further clarification, please do not hesitate to speak with your class teacher or myself.

Thanking you,

M. Rohan,

Principal.
