1. Introduction

The *Droichead* process is an **integrated professional induction framework** for Newly-Qualified Teachers (NQTs). It builds on *Céim* taking as its starting point the areas for further learning that have been identified by the NQT in collaboration with the HEI as part of the school placement experience. At the same time, it recognises that induction is a distinct phase of the continuum of teacher education, a socialisation process into the teaching profession.

The main objective of the *Droichead* process is to **support the professional learning of NQTs** during the induction phase, thus **laying the foundations for subsequent professional growth and learning** for the next phase of their career. (*Droichead: The Integrated Professional Induction Framework*, Teaching Council, March 2017, p.3)

2. Rationale

To provide a common understanding of the *Droichead* process for all school stakeholders.

3. Aims

The main aims of this policy are:

- To guide the whole school implementation of *Droichead* and to support the induction of NQTs
- To outline the roles and clarify the responsibilities across the school community in support of *Droichead*
- To highlight protocols underpinning the *Droichead* process in the school
- To identify key documents which support the *Droichead* process

4. Roles and Responsibilities

4.1 Professional Support Team (PST) Suggested Roles and Responsibilities

A PST is a team of experienced, fully-registered teachers (which may include the principal) who have been trained by the National Induction Programme for Teachers (NIPT) to support the *Droichead* process. The PST works collaboratively to support and guide a newly-qualified teacher through his/her induction phase.

The PST, comprising of a minimum of two members may be entirely school-based. Alternatively, schools may nominate an external PST member. The external PST member may be a teacher from a local school or a teacher selected from a panel of trained PST members which is operated by the NIPT. A school may also opt for an inter-schools PST model, whereby a cluster of schools will form a single PST made up of teachers from the cluster schools. At least one PST member needs to be from the base school. For further information on the external and inter-schools models, please click [here](#).

Supporting an NQT through *Droichead* is always a collaborative process. The dual role of the PST is to:

- guide and advise the NQT during school-based induction, in the first stages of their professional journey
- form a joint declaration with the NQT that they have participated in a quality teaching and learning process (*Droichead: Policy Teaching Council, March 2017*).

The roles and responsibilities of PST members may vary in different school contexts, and are therefore agreed before the *Droichead* process commences (*Droichead* Policy 1.1.4.2). To guide a PST in its roles, some suggested responsibilities are identified in **Appendix 2**. The list is neither exhaustive nor prescriptive and is open to customisation by a PST. While the responsibilities of mentoring are common to all team members, a PST may designate some of the other responsibilities to identified individuals within the team.

The PST will share its roles and agreed responsibilities with the NQT at their initial meeting.

Appendix 1 details the names of each trained PST member in the school

Appendix 2 outlines suggested roles and responsibilities for all PST members and suggested responsibilities that may be assigned to a named PST member.

4.2 NQT Suggested Roles and Responsibilities

As previously stated, the main objective of the *Droichead* process is to **support the professional learning of NQTs** during the induction phase, thus **laying the foundations for subsequent professional growth and learning** for the next phase of their career (*Droichead* Policy Teaching Council, March 2017).

NQT Role

Supporting an NQT through *Droichead* is always a collaborative process. *Droichead* is fundamentally about the NQT's professional journey and the process of their induction. A key part of this process is an NQT's engagement with more experienced colleagues, and reflection on the professional conversations that take place on their own professional learning and practice.

Through their engagement in the *Droichead* process, the NQT will, in line with the *Droichead* standards

1. have engaged professionally with school-based induction and additional professional learning activities
2. have shown their professional commitment to quality teaching and learning for their pupils/students
3. have engaged in reflective practice that supports their professional learning and practice, both individually and collaboratively

Based on above, the NQT will sign a joint declaration with the PST, that they have participated in a quality teaching and learning process (*Droichead: Policy Teaching Council, March 2017*).

Appendix 2 also outlines suggested roles and responsibilities for the NQT.

4.3 Role of Principal - Suggested Roles and Responsibilities

“As a leader of learning in the school, the principal, while not necessarily involved in the *Droichead* process, fosters a learning culture in which *Droichead* can flourish, and supports the PST in facilitating a quality induction process (p.7 *Droichead Policy 2017*).

While most primary principals have opted to engage as a member of the school’s PST, they may also opt solely for an oversight role - choosing to support the NQT and PST as they undertake the *Droichead* process, but are not part of the PST and do not sign Form D.

Appendix 3 outlines suggested roles and responsibilities for a principal in an oversight role. Please note that the suggestions were gathered from principals who participated in pre-Covid ***Principals’ Oversight Role Days***.

5. Protocols

Droichead and the PST-Role and Suggested Responsibilities

Supporting an NQT through *Droichead* is always a collaborative process. The dual role of the PST is to:

- guide and advise the NQT during school-based induction, in the first stages of their professional journey
- form a joint declaration with the NQT that they have participated in a quality teaching and learning process.

PST Suggested Responsibilities

Supporting a Newly Qualified Teacher during *Droichead* is always a collaborative process, although the roles and responsibilities of PST members may vary in different school contexts, and are therefore agreed before the *Droichead* process commences. (*Droichead* Policy 1.1.4.2)

To guide a PST in its roles, some suggested responsibilities are identified below. The list is neither exhaustive nor prescriptive and is open to customisation by a PST. While responsibilities relating to support and mentoring relate to all team members, a PST may designate some of the other responsibilities to identified individuals within the team.

The PST will share its roles and agreed responsibilities with the NQT at their initial meeting.

Suggested responsibilities for all PST members:

- Ensure that relevant *Droichead* materials are agreed before engaging in the process
- PST members to agree on protocols around observations, ensuring that observations *by* and *of* the NQT are conducted as per NIPT's training recommendations (e.g.: an NQT should be observed by different PST members during the process)
- Agree *Droichead* Outline Plan with each NQT, ensuring opportunities for timely professional conversations and quarterly reviews are included
- Contact NIPT if there are concerns around the successful completion of the process. (It is

recommended that this is done promptly, thus allowing the PST and NQT time to work together to ensure adequate supports and opportunities are provided to the NQT to successfully complete the process)

- Enable the NQT to be proactive when identifying emerging professional needs and supports required
- To provide support for planning and preparation for teaching and learning by NQTs
- To clarify school policies and procedures for the NQT
- Co-ordinate working with the NQT using the *Droichead* Standards and Induction Plan
- Liaise with Principal regarding organising [Droichead Release Time](#) for induction activities
- Professional and pedagogical support for the NQT
- Liaise with other experienced teachers/other relevant staff members/other schools in relation to opportunities for the NQT to visit/observe in classrooms and work alongside them
- Maintain records of the *Droichead* process in line with schools Data Protection Policy (GDPR) and confidentiality procedures
- Form a consensus in relation to the joint declaration and sign Form D, if appropriate
- Review the process when it is concluded with an NQT and update the school's induction policy when necessary.
- Be mindful of the wellbeing of all involved in the *Droichead* process

Suggested responsibilities that may be assigned to a named PST member:

- Co-ordinate the overall *Droichead* process in collaboration with the PST members and the NQT including communicating meeting schedules and agendas and the co-ordination of *Droichead* Release Time
- Brief school staff and Board of Management on the nature and purpose of the school's involvement in *Droichead*
- Share the termly *Droichead* updates with the rest of the PST (email sent by NIPT to the link person nominated at training)
- Arrange and lead the initial meeting with NQT
- Share the *Droichead* Outline Plan with the principal (if in oversight role)
- Attend *Droichead* professional development (one person invited from every school) and update relevant school personnel as necessary
- Liaise with *Droichead* associate/NIPT
- Keep a copy of the **Approval to Commence the *Droichead* Process** email and other relevant records

- Apply to commence the *Droichead* process on the My Registration Portal of the Teaching Council website www.teachingcouncil.ie
- Retain a copy of the Approval to Commence the *Droichead* Process email and give a copy of same to the PST
- Register with an Education Centre for Cluster Meetings and bring Form D to each Cluster Meeting to be stamped
- Plan weekly and termly
- Be aware of relevant school policies and procedures
- Be familiar with relevant *Droichead* documentation including the *Droichead* Policy, *Droichead* Outline Plan, and the *Droichead* Standards and Induction Plan etc.
- Working with the PST, identify and agree indicative timeframes for induction activities and quarterly reviews which will be included on the *Droichead* Outline Plan

be observed, on at least two occasions, *by* members of the PST. Engage in the 3 step process: pre-observation meetings, the observations, and the post-observation conversations.

- Be proactive in identifying emerging needs, and also work with the PST to identify these needs
- Engage in reflective practice that supports professional learning and practice, both individually and collaboratively. “As a self-directed learner, and to support reflective practice, NQTs will maintain a *Taisce*, (arising from the Gaelge translation treasure trove)”. Please see the [Teaching Council website](#) for additional information on creating and maintaining a *Taisce*
- Update and maintain *Droichead* records as appropriate, for example: the *Droichead* Standards and Induction Plan document, post-observation records, *Taisce* etc.
- Reflect on professional learning and identify an area(s) of interest for future professional learning
- At the end of the *Droichead* process, complete Form D with the PST and post the original to the Teaching Council, retaining a photocopy

Appendix 3 Principals’ Oversight Role -Suggested Responsibilities

The Principal’s Oversight Role... Some Suggestions

“As a leader of learning in the school, the principal, while not necessarily involved in the Droichead process, fosters a learning culture in which Droichead can flourish, and supports the PST in facilitating a quality induction process.” (Droichead Policy, 2017, p.7)

From a **practical perspective**, the Principal’s Oversight Role might include some of the following activities: (this is not an exhaustive list - just some samples):
