15th May 2018

Dear Principal,

We are delighted to inform you that the NPC Laois County Branch will be hosting a training event for parents in the coming weeks in your area. This event is completely free and is open to all parents of primary school children in the area.

The night will begin with a short presentation about the new NPC Strategic Plan 2018 - 2022, followed by our training session **'Parenting – Supporting your Child to Build Healthy Friendships & Relationships'**.

We have enclosed two flyers for the event, which we hope you will share with the Parents Association Committee/parent body in your school.

If you have any questions, you can get in touch with us here in the office by phone or email. We look forward to seeing some parents from your school there on the night.

Many thanks,

Yours sincerely,

Rebecca Byrne
NPC Development Officer
